

## Long Curriculum vitae

Name Pirus Ghadjar  
Date / Place of Birth 03.05.1978 / Berlin  
Nationality Deutsch  
Email [pirus.ghadjar@charite.de](mailto:pirus.ghadjar@charite.de)

09/2019 - current Specialization in Palliative Care (one year clinical training)  
06/2019 - current Professorship, Charité Universitätsmedizin Berlin (APL)  
01/2015 - current Commissioner of teaching of the Department of Radiation  
Oncology, Charité Universitätsmedizin Berlin  
01/2013 - current Head of Charité Hyperthermia Center and the associated  
interdisciplinary high-frequency laboratory, consultant of  
Radiation Oncology, Charité Universitätsmedizin Berlin  
12/2012 Board certification in Radiation Oncology (after 5 years clinical  
training)  
01/2012 - 12/2012 Clinical research fellow, Department of Radiation Oncology,  
Memorial-Sloan Kettering Cancer Center, New York, USA  
10/2009 - 12/2011 Resident physician Department of Radiation Oncology, Bern  
University Hospital, Switzerland  
10/2008 - 09/2009 Resident physician Department of Urology, Bern University  
Hospital, Switzerland  
06/2007 - 09/2008 Resident physician Department of Radiation Oncology, Bern  
University Hospital, Switzerland  
05/2006 - 05/2007 Resident physician Department of Hematology, Medical  
Oncology and Transfusion Medicine, Charité  
2003-2006 Doctoral thesis in the cancer immunology lab Prof.  
Scheibenbogen/ Prof. Keilholz, Charité (Thesis:  
„Chemokinrezeptor CCR6 expression and liver metastasis in  
colorectal cancer“, magna cum laude)  
04/2000 - 05/2006 Freie Universität, Charité Universitätsmedizin Berlin,  
Medical school

Father of 4 children, currently 11, 8, 6 and 2 years old resulting in parental leave  
06/2014 - 12/2014, 11/2018 - 01/2019 and 09/2019 - 08/2020 (total 22 months)

## **Research fields**

Basic (experimental) research with the goal to identify novel high-frequency based treatment approaches. Clinical research with the goal to improve the therapeutic ratio by establishing more effective treatments with reduced toxicity.

## **Activities in the scientific community, honors, awards**

Since 05/2020 Elected member of the editorial board "Cancers"

Since 10/2019 Elected board member and vice president of the German Society of Hyperthermia (DGHT)

Since 09/2018 Guest-Professorship, Bern University Hospital, Switzerland

Since 05/2018 Elected board member of the European Society of Hyperthermic Oncology (ESHO)

2018 Congress secretary of the European Society of Hyperthermic Oncology (ESHO) annual congress (Berlin, Germany)

Since 11/2017 Elected member of the Dissertation Committee, Charité Universitätsmedizin Berlin

Since 04/2017 Elected member of the Advisory Committee on Radiation Oncology Practice (ACROP) of the European Society for Radiotherapy and Oncology (ESTRO)

Since 2016 Elected member of several German guideline committees (S3 Prostate cancer, S3 Psycho-Oncology, S2 Fertility preservation)

Since 2014 Invited speaker at national and international conferences

Since 01/2014 Elected board member and managing journal editor "Radiation Oncology"

11/2013 - 08/2017 Member of the prostate cancer group of the European Association of Urology (EAU) - Young Academic Urologist (YAU)

01/2012 - 12/2012 Personal research travel award/grant Schweizerischen Stiftung für Biologisch-Medizinische Stipendien (SSMBS)

Since 01/2011 Leading investigator of the international, multicentric randomized trial SAKK 09/10: „Dose intensified salvage radiotherapy in biochemically relapsed prostate cancer without macroscopic disease. A randomized phase III trial" (ClinicalTrials.gov Identifier: NCT01272050)
